TRUSTEES' REPORT

The trustees present their report, together with the audited financial statements for the year ended 30 June 2019.

RESULTS

The Museum Fund surplus for the year was £172,870 (2018: deficit £3,745). The balance of reserves, excluding Special Funds, now totals £321,810 (2018: £138,719). The balance on the Special Funds is £302,473 (2018: £312,694).

REVIEW OF THE BUSINESS AND PLANS FOR THE FUTURE

The Trust is registered as a charity, number C6(E), in the Falkland Islands and the principal activity during the year was that of operating a museum. The trustees are pleased with the results for the year of operation at the Historic Dockyard site.

The Trust is currently raising funds for the construction of a new exhibition hall, which will contain some larger exhibits and permit better custodianship and conservation of other items. Additionally, due to the surplus for the year, the Trust is now in the position to extend its National Trust work, recording and preserving historic sites throughout the Falkland Islands including the Hawk's Nest Shanty.

Sir Michael Edward Palin KCMG CBE FRGS has agreed to become Honorary Patron of the Trust, which will help promote the work of the Trust on a worldwide basis.

BASIS OF PREPARATION

As at 30 June 2019 the Trust has net current assets of £560,882 and cash of £519,659. The Trust is funded primarily through retained earnings and grant income from the Falkland Islands Government.

As a consequence of the funding agreed for the year to 30 June 2020 and the previously unspent reserves, the trustees believe that the Trust is reasonably well placed to operate for the foreseeable future and accordingly the financial statements have been prepared on a going concern basis.

TRUSTEES

The trustees during the year and to the date of this report were as follows:

Emma Brook (appointed 22 October 2019)
Jan Cheek
Richard Cockwell - Chair
Paul Ellis
Denise McPhee
Tim Miller
Vernon Steen (resigned 22 October 2019)
Kurt Whitney

The trustees shall hold office in terms regulated under Section 4(2) of the Museum and National Trust Ordinance 1991.

By order of the board of trustees

T. O. Sommes

Secretary

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Falkland Islands Finance and Audit Ordinance 1988 requires the trustees to prepare financial statements for each financial year which give a true and fair view in accordance with the accounting requirements of the Falkland Islands of the state of affairs of the Trust and of the result of the Trust for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the financial statements comply with the Museum and National Trust Ordinance 1991. They are also responsible for the system of internal control and for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE FALKLAND ISLANDS MUSEUM AND NATIONAL TRUST

We have audited the financial statements of Falkland Islands Museum and National Trust (the 'trust') for the year ended 30 June 2019 which comprise the Income and Expenditure account, the Balance Sheet, and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is the Museum and National Trust Ordinance 1991 and the Finance and Audit Ordinance 1988 and the accounting policies set out therein.

In our opinion, the financial statements:

- give a true and fair view of the state of the trust's affairs as at 30 June 2019 and of its profit for the year then ended 30 June 2019;
- have been properly prepared in accordance with applicable Falkland Islands law and International Standards on Auditing (UK and Ireland).
- comply with the Museum and National Trust Ordinance 1991 and the Finance and Audit Ordinance 1988.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the Falkland Islands, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the trust's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the trustees' report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In light of the knowledge and understanding of the trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE FALKLAND ISLANDS MUSEUM AND NATIONAL TRUST

Responsibilities of trustees

As explained more fully in the Trusties' Responsibilities Statement set out on page 2, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the trust or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK). Those standards require us to comply with the Financial Reporting Council's Ethical Standard. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity' trustees as a body for our audit work, for this report, or for the opinions we have formed.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

NOTES TO THE FINANCIAL STATEMENTS Year ended 30 June 2019

1. ACCOUNTING POLICIES

The principal accounting policies adopted by the Trust are described below and have been applied consistently in the current and prior year.

The financial statements have been prepared in accordance with United Kingdom accounting standards.

Basis of preparation

As at 30 June 2019 the Trust has net current assets of £560,882 and cash of £519,659. The Trust is set up primarily to break even after receipt of grant income. The Trust is funded primarily through retained earnings and grant income from the Falkland Islands Government.

As a consequence of the funding received for the year to 30 June 2020 and the previously unspent reserves, the Trustees believe that the Trust is reasonably well placed to operate for the foreseeable and accordingly the financial statements have been prepared on a going concern basis.

Accounting convention

These financial statements are prepared under the historical cost convention.

Turnover

Turnover includes entrance fees to the Museum and donations received which are recognised on receipt. The sale of goods is recognised when the goods are physically delivered to the customer.

Tangible fixed assets

Tangible fixed assets are stated at cost net of depreciation and any provision for impairment. No depreciation is charged in respect of freehold land, assets under construction, or assets not yet brought into use. Depreciation on other categories is provided at rates to write off the cost of each asset on a straight-line basis at the following annual rates:

Buildings 2% (previously 10%)

Computer equipment 33% Museum and office equipment 20% Motor vehicles 20%

No depreciation is charged in respect of exhibited assets, which are recorded at original purchase cost, as their condition is not considered to deteriorate over time.

Donated exhibits

No value is reflected in the financial statements for donated exhibits.

Sale of exhibits

Proceeds of sales of purchased exhibits are set against their purchase cost with any gain or loss arising being charged to the income and expenditure account.

Stocks

ranger of the

Stocks are valued at the lower of cost and net realisable value. Net realisable value is based on estimated selling price less all further costs to completion and all relevant marketing, selling and distribution costs. Adjustments are made for slow moving and obsolete stock.

Government subsidies

The Falkland Islands Government provides financial support by way of subsidies. These subsidies take the form of drawdowns by the Falkland Islands Museum and National Trust to cover operating expenses and are related to the value of landing fees from cruise ship passengers received by the Falkland Islands Government during the tourist season.

Government Subventions received, in respect of revenue expenditure incurred in relation to the Dockyard Development, are treated as income and matched to the expenditure, except when they are deemed to be capital items.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) Year ended 30 June 2019

1. ACCOUNTING POLICIES (CONTINUED)

Special funds

Special funds represent income received which is restricted or designated by the Trustees to being spent in a defined manner on specific projects. On an annual basis, the grant received in connection with the building of the Dockyard development is moved from special funds into deferred capital grants and released in line with the depreciation charged to the Income and Expenditure account.

Cash flow statement

The financial statements do not include a cash flow statement because the company, as a small entity, is exempt from the requirement to prepare such a statement.

Grants

Grants in respect of capital expenditure are recorded in the balance sheet as deferred income within creditors and released to the income and expenditure account over the life of the related fixed assets.

2. TURNOVER

The Trust engages in only one class of business in one location. Turnover for the year was as follows:
